Dear Harry,

Another fantastic job completed by Yankee Remodeler! We send our kudos to Tom Rafferty & Calvin Leyko and Delmore & Roger Plante.

Tom & Calvin are extremely professional, knowledgeable, and skilled. We appreciated the daily communication, suggestions and planning. It was a pleasure having them around the property during the project.

Can't find a drip of paint anywhere! Sherrie and Roger were meticulous and thorough while trimming the house and painting the siding. It looks great.

We will always recommend Yankee Remodeler for construction/home repair. Your people are talented, dependable, and trustworthy.

Enjoy your well-deserved retirement, Harry!

Kindly,   
Valerie & Doug
