Subj: LETTER OF APPRECIATION

1. It gives me great pleasure to offer you my sincere appreciation for the unswerving support that your company, Yankee Remodeler, provided to Naval Submarine Base New London and Cross Hall Galley during the recent renovations from July 2016 to February 2017.
2. During this eight month construction project, your company's meticulous enthusiasm to deliver a state of the art food service space will greatly benefit the installation for years to come. This multi-million dollar endeavor was meant to maximize the long-term effectiveness and efficiency of the operation.
3. Even though there were a few complications during the course of the construction project, you worked through these challenges, and your team was able to adapt construction processes to the demands of the Naval Submarine Base without sacrificing the quality of the food and service to our 1,200 daily patrons.
4. Again, I would like to express my gratitude for your efforts in completing our galley renovation project. Your attention to detail as well as your strict adherence to deadlines was very remarkable, resulting in a job well done.
