*Who we are—*

Yankee Remodeler of New London is a full-service general contractor – which includes everything from cost estimating, budgeting, scheduling, permitting, to the actual construction and more. We specialize in remodeling services to residential, commercial, healthcare, industrial, government and non-profit agencies.

The cornerstone of Yankee Remodeler's success is our commitment to quality craftsmanship and delivery of superior customer service. Our experience and dedicated team of carpenters, painters, laborers, as well as a team of millwork masters, have over 30 years of trade experience in the field. We are proud to say that we complete over 1,000 projects annually!

Yankee Remodeler is certified for the Small Contractors Set-Aside Program by the State of Connecticut. We are fully insured and bonded up to five million dollars in both Connecticut and Rhode Island.

*Workshop services—*

Our full service workshop is here for both of our residential and commercial customers' woodworking needs. Our shop is equipped with a Computer Numerical Control machine (CNC) which allows us to machine parts for assembly more accurately.

- CNC custom parts
- Custom molding
- Custom cabinets
- Bookcases
- Workstations
- Entertainment centers
- Counter tops: plastic laminate, solid surface, granite, quartz and wood
